Upcoming USMAI-Sponsored Webinars & Virtual Conferences

The USMAI Library Consortium is sponsoring group registrations for several webinars and virtual conferences in March. Unless otherwise stated, we have multiple logins that we can distribute to USMAI member libraries. Please see the list below and contact Katia Fowler at kfowler@umd.edu if you would like to reserve a login for your institution. Access information for archived recordings of these events will be made available to staff at USMAI member libraries after the event.

- Course Reserves and Copyright: A Two-Part ACRL Webcast Series
- Electronic Resources and Libraries Annual Conference (ER&L)
- Labor and Capacity and Building Data Science Skills: A Two-Part NISO Webinar Series
